

2学期  
始業式

始業式 9月4日(月)

挨拶 校長 中山 理

お早うございます。2学期から校長の役を命じられた中山 理と申します。私は今まで小学校、中学校、高等学校、大学で教えてきました。科目は算数、数学です。特に出来ない子供や学生を出来るようにする工夫をしてきました。私は55年間1日も学校を休んでいません。それは、病気をしなかった訳でも怪我をしなかった訳でもありません。熱が39度5分出た時もありますし、杖を付いて歩いていたこともありました。でも、自分の責任は果たすのだというつもりで毎日学校に出ていました。でも子供たちには、熱があるときには直ぐに休んで早く治しなさいと言ってきました。有言実行するためには、年齢的なこともありますし、これからは休んで治すようにした方が良くかもしれません。今後この学校で皆さんと仲良く致したいと思えます。どうぞよろしくお願い致します。

皆さんは帝京大学のラグビー部は他の大学のラグビー部より断然強くて、今8連覇していることをご存知ですか。8連覇しているということは、大学は4年生で卒業しますから、強い選手が卒業しても、その後の後輩も圧倒的に強い選手だということです。帝京大学のラグビー部の選手はどうしてそんなに強いのでしょうか。この理由は君達の方がご存知かも知れません。これは私の想像ですが、その理由が2つほど考えられます。

その1つは、帝京大学のスポーツ医療学科の人達が行う、選手1人1人の体に即した細かい診断のお陰かと思うし、もう1つは、ラグビー部の上級生の考え方が良いのだと思います。

以前、東北地震の被災地区に、各大学のラグビー部の人達がボランティアで行った時の事です。ある係の人が「お掃除をしますから、各大学から数名ずつ出して下さい。」と声を掛けたそうです。その時、各大学はでは上級生が1年生に「お前行け」と言って、1年生ばかりを行かせたそうですが、帝京大学だけは4年生が率先して掃除に出たそうです。それを見て、各大学のコーチの人が「帝京大学は強いはずだ」と言ったという話を聞きました。

何故4年生が掃除に出たら「強いはずだ」と言われるのでしょうか。掃除をすればラグビーが強くなるわけではないと思います。これは私の想像ですが、上の立場の人が率先して良い行動すると、下の立場の人達はその行いを見ていて、それが良い事だと思うと自分も先輩のようになりたいと感化されて、自分から進んでよく練習し、自分から進んで人の為になるようなことをするようになるのではないかと思います。

この事はいろいろな場面で言えると思います。上の立場の人が下の立場の人を良く理解して優しく接して上げたり、どんな事でもよく出来る人が、あまり出来ない人を馬鹿にせず優しく教えてあげたり、年上の人が年下の人に威張らずに優しく接して上げると、そのグループはみんなが強くなったり、良くなったりするのではないかと思います。

上の立場の人が良い見本を見せると、下の立場の人は上の人を見習い尊敬して意欲も出てきて自主的に練習するようになり、その時々判断も良くなり、試合も強くなるのではないかと思います。これが帝京大学のラグビー部が圧倒的に強い理由ではないかと私は思っています。皆さん方はラグビー部の所属ではありませんが、帝京ロンドン学園の生徒で、帝京グループの一員です。よく出来る人や、真面目な人や、良き先輩を見習って、やがてみんなが世の中の為に役立つ、心の強い人に育てていただきたいと思えます。皆さんには、これからの世の中が期待しています。その為にも先生方のおっしゃることをよく聞いてしっかり勉強してください。

### ロンドン日本人学校とのスポーツ交流 9月9日(土)

毎年恒例のロンドン日本人学校とのスポーツ交流戦が行われました。爽やかな秋晴れの下、サッカーとテニス、体育館では、バスケットボールの3種目を実施しました。ロンドン日本人学校の生徒さんたちは、この交流戦に向けてそれぞれ練習を積んできたあつて、中学生ながらなかなか手強く、各会場で白熱した戦いが見られました。試合が終わった後は、食堂でもロンドン日本人学校と本校の生徒が種目ごとに一緒にテーブルにつき、談笑しながらの昼食をとりました。今年も有意義な良い交流会となりました。(山田)

## サッカーコース・部

長い夏休みが明け、ようやく2学期が始まりました。夏休み中は同志社香里高等学校との日本合宿をおこなったり、イギリスに残って現地のチームに参加したりと各々活動してきました。夏休み明けのフィットネステストの結果はまずまずでしたので、このままコンディションを上げて9月20日から始まる公式戦に挑みたいと思います。

2、3学期はFAB Academyへの練習参加が始まります。さっそく素晴らしい環境の中で合同練習をおこないました。この恵まれた環境でサッカーができることに感謝し、楽しんでもらいたいです。(末弘)

夏休み中の研修～語学学校通学&ホームステイ～

1年生は Brighton に2週間、また何名かの生徒は夏休みの前半や後半、もしくは全期間に渡ってイギリスに残り、ホームステイをしながら語学学校に通いました。日本語から全く離れた生活の中で、外国人の友人ができ、語り合うことで、これまでと全く違った視点で物事が見え、将来が見えたようです。

**Burnham Grammar School KO2**

I went to Burnham Grammar School for 5 days. I had to use English and listen to English all that time. On the other hand, I learned lots of things including English, latest trends, and so on. Everyone knows Teikyo school since they have experienced Japanese Day a long time ago so it was easy to adapt to BGS. I had a great time there.

I feel the most impressive thing this time was the sports day. I couldn't imagine how English sports day is held. It was actually similar to the sports day at Teikyo School except for dance. At our school, we separate into white and red teams however, they are divided into 5 teams including black, green, yellow, white, red, blue. I saw 100 meter race, hurdles, the triple jump, the shot put. Students only attend when their event starts. They talked to friends and chilled out when they had nothing to do. My friend said that I was going to attend the relay but it had already started when I noticed. It was a good day to have conversations with friends and I enjoyed it.

The first day was also impressive because they said that time table was collapsed. We didn't have any ordinary lessons in the morning. Students came to school wearing ordinary clothes.

I remember my friends took me to the high street during the lunch time and taught me lots of English words for young people. They also showed me the best fish and chips shop in Burnham.

They still ask me to come to Burnham to go to the gym. I had an amazing time and made lots friends during my time in BGS.

**My best homestay in three years KO3**

I went to Oxford for three weeks. The school was great and it was in such a huge building and it has a beautiful garden. And also there are so many excellent teachers and lovely students. Everything is great for me.

My highlight is that I got so many Spanish friends. Every morning, in the school and after school... everytime, we spent the wonderful time together. We did a lot of things such as singing, shopping, going on a picnic, sightseeing and so on. Our best one is water gun fight. It like a kid's play. But we played as hard as we could. I joined in their Spanish team. That was so fun.

So everyday, I am really happy as I spent a great time with them. However, they went back to their country earlier than me. And the last day which they met me, they gave me a lot of lovely hugs and touching messages. And they repeated my name many times. And also, they made the wonderful video for me. I was crying by such touching things.

After they went back to Spain, everyday I really missed them. But on my last day, I switched the feeling and I did the Japanese presentation on my own for every student. Of course I was really nervous but it was good. And after finishing it, so many students praised my presentation. I was really happy that I succeeded to do it and also, they liked Japan more.

I really appreciate everybody and I'm really happy that I got the brightest memories of my homestay.

**Oxford KO2**

I did a home stay for 2 weeks in Oxford during summer vacation.

It was the first time to homestay in Oxford. Oxford was completely different from Brighton. The class was the same for the first week, but the class was changed only for the last three days. My host family had an 8 month old baby and 3 year old girl. The girls were very energetic and the baby was pretty cute. The host family was very kind and helpful to me so it was very easy to stay there.

### Homestay report KO3

I did a homestay in Oxford for 2 weeks. Oxford is a very historical place. So there are a lot of famous place in my school road. For example, St John's College and lots of colleges are there. I could make many friends in my language school. They were very friendly, so I could do a lot of conversation with friends. When I finished school, I always went to shopping and some activities with my friends. In the school, the class was very small so I could learn to focus in the topic. My best memory was about food. Because the language school meal was so delicious and my host family too. Every day I ate pasta or curry and rice in my house. I enjoyed all of the food. When I walked in the city, the people were friendly so I talked with people every day in the bus.

### Oxford KO2

I did a homestay in Oxford for a month. This experience became my wonderful memory and the source of motivation. I have two reason why I can say that.

Firstly, students who were in CIE became my biggest memory. Before I went to Oxford, I was nervous and inactive because when I went to Brighton last year, I couldn't make any foreign friends. In addition, there are no Japanese in my class so I wanted to go back home as soon as possible. After I stayed a week, I started trying to greet my classmates. Although I did greeting only at the beginning, my classmates always talked to me about many things. I was so glad and I talked with classmates all day. Therefore I could make many friends in CIE.

In CIE, I took morning lessons and IELTS lesson. The IELTS lesson made me motivated. It was very hard because I have many words I didn't know and the lesson with only English made me confused. So I did homework and remembered new vocabulary everyday to take lesson more comfortable. Also my teacher taught me how to answer the question, the points which questioner checks etc.... I learned how I can improve my English skill. That 1 month was the most significant for me.

### Brighton Ko2

I saw the 'Mae West' lip sofa. Why could I see that? Because that sofa is being displayed in Brighton. So I went to Brighton Museum as part of lesson at language school. This summer is the third time I have studied in Brighton, but I had never been to the museum. So I didn't know the 'Mae West' lip sofa was displayed in Brighton before I went there but I have seen it on TV or something and knew that lip sofa is famous in the world. So it made me happy. And after that, I went back to my host family house, and I enjoyed talking about that with host family.

### Brighton KO2

I did homestay in Brighton. It was a good experience.

When I went to school I was surprised. Because I met my friend. He is Mohammed. He is very kind. I made other friends. They are from Saudi Arabia, Turkey, France and Columbia. My best friends are Diego and Hady. They are from Columbia and Saudi Arabia. They recommended an Italian restaurant to me so I had lunch with them. It was delicious.

ELC was fun. But sometimes I was bored because I couldn't understand the words. But my friends taught me so I understood. The teacher was very funny so I liked his lesson.

My host family was very kind. There were other students in my house. I spoke with them every day. I watched TV with my host family. However, I had to move to another place so I was sad. My new host mother was very strict. But her cooking was good. There was a French student there. He was kind. His English is very good so I spoke to him everyday.

Homestay was very tiring. But that is important for me. So this is a good experience.

### Brighton Homestay Report KO2

I went to Brighton. I was anxious but it was fun. Host family was kind. I watched TV with host family. I went to i360. It was interesting and there was a nice view. I went shopping. I went to the Pavilion. It brought back memories from my visit last year. I did bowling. It was fun. I went to Canterbury and Leeds Castle for the second time. I went to the pier. I don't like roller coasters but I liked the horror attractions. I was really glad I could do a homestay.

## Brighton KO1

I have done many homestays so far but this homestay was the most memorable homestay.

We stayed two weeks. We went to the language school in the morning and did an activity in the afternoon. In the language school we separated to under fifteen years old and over sixteen years old. In the fifteen years old group we cannot join students from other countries so in my group there were only Teikyo students. Actually at first I thought I want to go to the other group but, only Teikyo group was fun too.

In the afternoon we did activities. We did many things. For example rock climbing, crazy golf, went to the Pavilion and so on. I think beach volleyball was the most fun activity. We divided into four groups. I am not good at volleyball but my group members were supporting me so we could win!

When we finished the activity we were free so, we went to shopping or back to home. I went shopping almost every day. In Brighton there is a big shopping centre and many shops. One day I made a teddy bear. In Japan I had never seen a place you can make a teddy bear by yourself so I wanted to make it but that was so expensive. I made a teddy bear and I bought clothes too so my money has gone.

In Brighton I can enjoy a lot. Normal school does not have this kind of homestay and in a normal homestay program it is rare to have classmates in the group but in Brighton everybody knows each other so it was very fun.

### 女子寮より

寮生の皆さんお帰りなさい。長かった夏休みもおわり、元気な顔を見て安心しました。それぞれ有意義な夏休みを過ごしたと思います。二学期から部屋が変わりました。新たな気持ちで頑張ってもらいたいと思います。9月より待ちに待ったロンドンへの外出が解禁され、早速一年生は上級生と一緒にアドバイスを受けながら外出していました。今までの学園とスラウ（近くの街）とで週末を過ごすことに比べると、ロンドン外出でもっと色々なものを見、そして感じ、大変いい勉強になることと思います。安全にはいつも気を付けてよいイギリスの思い出を作ってください。何度も繰り返して伝えていますが、寮生活において常に他の人のことを思いやる気持ちを忘れないでください。また10月の緑舎祭では男子寮バザーが例年どうり寮委員を中心にを行います。緑舎祭においでの際は是非お立ち寄りください。案外掘り出しものがあるかもしれません。（岩泉）

長い夏休みが終わり2学期がスタートしました。今回の部屋替えでは、1・2年生のシェアとしましたが、2年生は先輩らしく規則正しい生活を送り、1年生はその姿をみて成長してほしいと願っています。その中で、良い関係を築いてほしいと思います。

また、今年は学園祭でバザーを開催することにしました。昨年度、女子寮に大量に保管されていた洋服などの荷物はチャリティショップに寄付をしました。バザーでの売り上げは、寮生活に必要なものを購入したり、寮企画で役立つ予定です。

2学期は長い学期ですので、体調管理をきちんとし、規則正しく生活を送れるように指導していきたいと思います。これから日が落ちるのも早くなり、気持ちも沈むこともあるかと思いますが、寮での生活が心地よく、ゆっくりと休める空間にしてほしいと思います。（清木）
